To Whom It May Concern:

We are thrilled that Michael Handler is planning Cruise for Life on behalf of Dana-Farber Cancer Institute and The Jimmy Fund! Proceeds from this event will benefit innovative cancer research and compassionate patient care at Dana-Farber Cancer Institute. It is because of the commitment and hard work of volunteers like Michael that Dana-Farber is able to continue to move forward in the fight against cancer.

While Dana-Farber does not enter into direct sponsorship of such events, provide any financial support, or assume any liability for event volunteer conduct, we want you to know that we are aware of Michael's endeavor to manage Cruise for Life with proceeds to benefit Dana-Farber. We are very proud of our relationship with Michael, and he is proceeding with our knowledge and support.

We highly encourage and appreciate any assistance that you can offer Michael to help make Cruise for Life a success. By supporting this event, you too will be helping to make possible the discoveries that are yielding new ways to treat and cure cancers.

Best wishes,
